anti-aging facial - \$45.00

all the steps of our **signature facial** with the addition of powerful antioxidants, lipopeptides and retinol to help the skin's regenerative abilities along with restoring elasticity.

vip facial - \$80.00

90 minutes of bliss. our **vip facial** (very important pampering) starts out with a deep pore cleansing, extractions if needed, a relaxing face, neck and décolleté massage, a chemical or enzyme peel tailored to your skin, an exfoliating treatment for the hands and feet, and a moisturizing paraffin treatment for the hands, feet and lips. we then apply an ampoule of a special formulated treatment serum to the face, followed by a high frequency treatment which helps the serum absorb into the skin and is known for its anti-bacterial benefits. we end this amazing session with a protective eye cream and moisturizer.

"specialized peel" - \$75.00

we offer a variety of prescription strength chemical peels. these peels will help to refine skin texture, improve and repair sun-damaged skin, reduce the depth of surface lines and wrinkles, fade brown spots, and treat acne and blemished skin. fight the effects of time, sun and environmental damage and take years off of aging skin with these powerful yet non-damaging peels. our skin care specialists will evaluate your skin and recommend the chemical peel that is perfect for you and your skin.

gentleman's facial - \$45.00

it includes all the steps of our **signature facial**, but uses products tailored to a man's skin.
